

CALL FOR PAPERS

FIFTH ANNUAL INTERNATIONAL CONFERENCE
SCHOOL OF ECONOMICS AND SOCIAL SCIENCES

A NEW GLOBAL ORDER, YET AGAIN

13-14
NOVEMBER, 2025

In an era marked by geopolitical realignments, technological innovations, green transitions, climate change, and evolving trade dynamics, the global economic landscape is undergoing an unprecedented transformation.

By bringing together policymakers, academics, experts, and industry leaders, the conference aims to foster dialogue on innovative policies that promote stability, inclusivity, and long-term prosperity in an increasingly uncertain world. The sub-themes of this year's conference include the following:

- Public finance, and debt dependency challenge
- AI in economic research, policy and planning
- Climate change, adaptation and financing
- Global trade and supply chains
- Institutions and inclusive growth
- Technology for human development

Full papers must be submitted online by July 31, 2025, through
