

TOURISM SUSTAINABILITY IN THE GLOBAL SOUTH

4th - 6th May 2023

Main Campus, IBA Karachi
Sindh, Pakistan

ABOUT THE CONFERENCE

The conference on **Tourism Sustainability in the Global South** is intended to provide a forum for tourism researchers, practitioners, policymakers, and other stakeholders, especially those from the Global South, to discuss the major regional and local challenges to tourism sustainability and to advance pertinent research, policy, and practise.

The conference themes include:

- Climate resilient and net-zero local tourism economies
- Gender and inclusivity in tourism demand and supply
- Public policies and institutions for fair tourism development
- Conflict, governance, and socially sustainable tourism
- ICTs for packaging and marketing of tourism products
- Responsible and sustainable tourism practices
- Inter-cultural understanding and tolerance
- Any other related theme

Attractions:

- No registration fee for local or foreign participants
- Acceptance followed by double-blind peer review
- IBA Press will publish the Book of Abstracts (with ISBN)
- Limited travel support to the local paper presenters
- Local hospitality for all paper presenters
